SECTION 1: LEGAL DISCLAIMER

_____

This website titled "Real-Time Doc Validator & Instant E-Challan Relay" is developed as an academic capstone project under PES University, Bengaluru.

The platform is created strictly for educational, research, and demonstration purposes only. It is not affiliated with, endorsed by, or operated by any government authority including but not limited to the Ministry of Road Transport & Highways (MoRTH), Parivahan, Regional Transport Offices (RTO), State Transport Departments, or any law enforcement agency.

All references made within this system to:

- Motor Vehicles Act, 1988

- Motor Vehicles (Amendment) Act, 2019

- Central Motor Vehicles Rules

- Road Safety Policies

are based solely on publicly available information from official Government of India portals.

This system does not issue legally enforceable challans. Any violation detection, vehicle validation, or document verification results displayed are simulated outputs generated for academic demonstration purposes only.

The developers shall not be liable for any direct, indirect, incidental, consequential, or special damages arising from the use of this platform.

This Disclaimer shall be governed by the laws of India. Any disputes arising shall be subject to the exclusive jurisdiction of courts in Bengaluru, Karnataka.

SECTION 2: PRIVACY POLICY

_____

This Privacy Policy is drafted in accordance with:

- Digital Personal Data Protection Act, 2023 (DPDP Act)

- Information Technology Act, 2000

- Applicable Indian data protection regulations

Information Collected:

1. Vehicle Data (Demonstration Dataset Only):
- Vehicle registration numbers detected or entered
- Uploaded vehicle images (if applicable)

This system does NOT access live government databases such as VAHAN.

2. Technical Data:
- IP address
- Browser type
- Device information
- Access timestamps
- System logs

Purpose of Data Collection:

- Demonstration of AI-based number plate detection
- Validation against structured mock dataset
- System performance monitoring
- Logging and debugging

Data Storage:

- Data is stored locally within the application database
- No financial information is collected
- No real citizen data is stored

Data Sharing:

- No personal data is sold or transferred
- Data may only be disclosed if legally required

User Rights under DPDP Act:

Users may request:

- Access to their data
- Correction of inaccurate data
- Deletion of data
- Withdrawal of consent

Grievance Officer:

Name: Himanshu Kumar Pandey
Email: himanshupandey0410@gmail.com
Location: Bengaluru, Karnataka

We will respond within legally prescribed timelines.

Security Measures:

  • Access control

  • Restricted database access

  • Secure backend configuration

Children's Policy:

This platform is not intended for individuals under 18 years of age.

SECTION 3: TERMS & CONDITIONS

By accessing this platform, users agree to the following:

1. Educational Use Only
This platform is designed strictly for academic demonstration and research purposes.

2. No Official Enforcement Authority
The platform does not:

- Issue official challans

- Process government fines

- Connect to live RTO databases

- Replace official government portals

3. User Conduct
Users shall not:

- Attempt unauthorized access

- Upload malicious or illegal content

- Reverse engineer system components

- Misuse platform functionality

4. Intellectual Property
All UI designs, source code, documentation, system architecture, and AI model integration belong to the developer unless otherwise specified.

5. Limitation of Liability
Maximum liability shall not exceed INR 1,000.

6. Governing Law & Jurisdiction
These Terms shall be governed by Indian law.
Exclusive jurisdiction: Bengaluru, Karnataka.

7. Modifications
Terms may be updated at any time.

SECTION 4: FINANCIAL DISCLOSURE

This platform does not process real financial transactions.

- • No payment gateway integration
- • No affiliate marketing
- • No advertising revenue
- • No monetization
- • No real challan payment collection

Any challan amounts displayed are simulated values for demonstration purposes only.

No financial data is collected from users.
